Meetings Scheduled

Steve Knight, who started the process with this work group, has been chosen to chair a DTA Foundation committee. The Insurance Work Group will start fresh with a new chairman.

Short Term Goals and Dates

Develop a position paper on reimbursement of procedures by dental insurance due in the spring of 2009. Plan a DTA joint venture educational forum on this subject with ADA or other dental societies for 2009. Map out long term goals to expand dental insurance for general population.

Level of Activity: Medium

Researching dental insurance for a position paper and future educational forum.
