

DTA 2009 Annual Meeting Sponsorship Opportunities

DTA is grateful to our members and dental association colleagues who provide sponsorship for many of our meeting events. These sponsorships allow us to provide the highest quality educational opportunities for our members and guests. These sponsorships do not reduce the costs to individual participants in events. The funds are pooled to apply to our educational opportunities.

Please let us know if your organization is interested in sponsoring events at the DTA Annual Meeting to be held at the Hyatt Regency Washington on Capitol Hill, Washington, DC. Sponsors will receive recognition on our web site, our meeting program, recognition from the podium and may provide printed materials to be included in the attendee packets. Following is a list of events and items that can be sponsored at the DTA meeting in August.
