This two-day intensive program is specifically designed to add breadth, depth and value to the existing dental knowledge of employees and/or owners of businesses that have direct contact with the dental profession. To achieve this goal, many of the dental school's highly rated teaching faculty will be sharing valuable information, including hands-on experiences, with program participants.

A comprehensive overview of the dentistry profession covering the following topics:

- Dental Procedures
- Dental Training
- Oral Care Specialties
- Oral Anatomy
- Restorative Sciences
- Key Dental Nomenclature

Recommended for Senior Management, Sales professionals and Executives new to the dental trade. Attendees recognize the demands on dentists and oral care staff.
